Why the Honoree is receiving a GEM Award including dates:

Jeff has saved Collin County several thousands of dollars by disconnecting two select data circuits. This was part of Collin County moving to new technology. He reviewed and found that moving everyone to this new technology there would be a cost savings. All Collin County users have moved to Verizon Cards to connect to the Collin County VPN. This will be a cost savings of $11,615.00 per year.

I feel that Jeff has gone above and beyond with his attention to detail and job knowledge. He is someone that will stay on top of an issue to make sure it is completed on time or before the due date. Jeff takes pride in his job and Collin County by providing outstanding services!
