

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY
Texas Pollutant Discharge Elimination System
Small Municipal Separate Storm Sewer System (MS4) General Permit

The Notice of Intent (NOI) for the Small MS4 listed below was received on February 8, 2008. The intent to discharge storm water associated with the Small MS4 under the terms and conditions imposed by the Texas Pollutant Discharge Elimination System (TPDES) Small MS4 permit TXR040000 is authorized. The MS4 Operator's TPDES Small MS4 general permit authorization number is:

TXR040035

Coverage Effective: 6/8/2009

TCEQ's Small MS4 general permit requires certain storm water pollution prevention and control measures, possible monitoring and reporting, and periodic inspections. Among the conditions and requirements of this permit, you must have prepared and implemented a storm water management program (SWMP) that is tailored to your MS4. As a facility authorized to discharge under the Small MS4 general permit, all terms and conditions must be complied with to maintain coverage and avoid possible penalties.
