

Collin County Going the **Extra Mile (GEM)** Recognition Form

Honoree's Name: Danny Davis

Honoree's Job Title: Animal Control Supervisor

Department: Animal Services

Years of Service with the County: 10

Why the Honoree is receiving a GEM Award including dates:

On Friday, September 9th, 2016, I was notified by Danny Davis that two of our employees had been seriously injured while working with a horse. Danny was contacted on his day off by the Shelter because I was in a meeting. Danny was in Louisiana at the time that he received the phone call and he immediately, and without hesitation, turned around and drove the 4 hours back so that he would be available to the department if he was needed. Danny's dedication to the department is apparent in everything that he does – he frequently takes calls on his days off; he gives up his time off without complaint if there is a need in the department; he works alongside all of the employees and leads them by example. Driving 4 hours to prematurely return from a vacation on his day off is just one small example of Danny's dedication to his job and his employees and co-workers. His contribution to this department is seen on a daily basis and is much of the reason for the success of the department.
