

Collin County Going the **Extra Mile (GEM)** Recognition Form

Honoree's Name: Steven Harris

Honoree's Job Title: Animal Control Officer

Department: Animal Services

Years of Service with the County: 2

Why the Honoree is receiving a GEM Award including dates:

On 09/08/16 we had two Animal Control Officers get hurt in the field while trying to load a horse that was running loose. Before I could get all the information about what had happened and what needed to be done to cover the field calls and the shelter, Steven Harris called me and asked if I needed him to come in since it was his day off to help with what ever needed to be done. Steven Harris has always been great about all the different schedule changes we have to do when someone is missing. He also canceled a trip he was going to go on since we are still down an employee at this time.
