

Collin County Going the Extra Mile (GEM) Recognition Form

Honoree's Name: Mary J'Net Chambers

Honoree's Job Title: Court Administrator

Department: County Court at Law Number One

Years of Service with the County: 30

Why the Honoree is receiving a GEM Award including dates:

I would like Ms. Chambers to be considered for the GEM award. In April of this year Ms. Chambers attended a drug court training program in Denver, Colorado with the judge and bailiff of Court One. Some weeks after returning, the Court received information that participants of the drug court training would be given priority for certain grants. So with very little time, and no idea how to go about completing a grant application, Ms. Chambers gathered the necessary information, completed the grant application and timely submitted it on June 9, 2011. This required a lot of effort and Ms. Chambers demonstrated tremendous initiative and commitment in completing the task while facing a very short deadline. If Court One is successful in securing grant funds for the drug court, it will be solely because of Ms. Chamber's efforts.

Approved by elected official or department head on the 13th day of June 13, 2011.
