Why the Honoree is receiving a GEM Award including dates:

On February 26, 2016 the Sheriffs' Office Transfer Division received information regarding an inmate in our custody whose release needed to be expedited. In an attempt to prevent this individual from becoming homeless, the Sheriff's Office needed to release him in a very short time frame so that he would be present at a local community housing facility.

Janie Sanchez went above and beyond in preparing the probation paperwork, visiting with this individual then providing the Sheriff's Office Transfer staff with the paperwork to secure his release. Janie completed this task without delay. The individual was then released in a timely manner and we were able to provide this individual with the assistance needed so that he could improve his lifestyle.

The Sheriff's Office would like to thank Janie for her immediate response while assisting us.
