

Collin County Going the Extra Mile (GEM) Recognition Form

Honoree's Name: Patsy Morris

Honoree's Job Title: Health Care Coordinator

Department: Health Care Services

Years of Service with the County: 25

Why the Honoree is receiving a GEM Award including dates:

A patient was seen in the breast cancer screening clinic. The patient was extremely ill and needed a mammogram immediately. The radiologist agreed to see her immediately but that is when the clinic found out that she had transportation issues. Patsy volunteered to clock out and take the patient to the Breast Clinic on her own time. Patsy's timely action is commendable and I would like to nominate her for exceptional service. Her service was above and beyond her call of duty. This significant act of kindness saved this patient's life.
