

Collin County  
**Going the Extra Mile (GEM) Recognition Form**

Honoree's Name:       Sardae Roberts      

Honoree's Job Title:       TB Outreach      

Department:       Health Care Services      

Years of Service with the County:    3    (in May)    

Why the Honoree is receiving a GEM Award including dates:

---

In early March, Sardae began working on a slideshow presentation on Tuberculosis as part of a "World TB Day" activity. As the presentation was completed, the entire TB team, especially our TB doctor, realized that Sardae had in fact come up with an idea that would serve as a very useful and informative tool for community education on Tuberculosis.

---

To date, our TB doctor/ county Health Authority has included this slideshow in two educational presentations, and it has received great feedback, but more importantly has sparked an interest and awareness in this challenging disease our clinic deals with on a daily basis.

---

We will continue to use Sardae's slideshow presentation at every educational opportunity that arises, and consider ourselves fortunate to have someone as self-motivated and creative as Sardae on our team!

---
