Going the Extra Mile (GEM) Recognition Form

Honoree's Name: Whitney Franklin, R.N., B.S.N.

Honoree's Job Title: Employee Health Nurse

Department: Health Care Services

Years of Service with the County: 1.5 years

Why the Honoree is receiving a GEM Award including dates:

It is my pleasure to take this opportunity to recognize one of three members of our Health Care Services team for their noteworthy contribution in saving the life of a fellow employee. While Whitney's diligent efforts on a daily basis may not be known to most, it is only fitting that her hard work and personal dedication to excellent patient care in this situation be acknowledged.

Being a CPR instructor is a duty that Whitney has always taken seriously. Whitney knows firsthand how critical those first few seconds and minutes can be for a person experiencing a life-threatening medical event. The majority of instances where an employee has used their CPR skills involved assisting a member of the public. Yet, it is equally rewarding to know that CPR training and Whitney's willingness to help others has helped save the life of a member of the Collin County Family.
