Why the Honoree is receiving a GEM Award including dates:

It's my pleasure to take this opportunity to recognize a member of our Health Care Services team for their noteworthy contribution in serving our community. A critical TB patient needed assistance during the Thanksgiving Holiday. An afterhour's call was made to Rayola and with minimal notice she agreed to work. While Rayola's diligent efforts on a daily basis may not be known to most, it is only fitting that her hard work and personal dedication to excellent patient care in this situation be acknowledged.
