Why the Honoree is receiving a GEM Award including dates:

Kelsie Markos is receiving the Going the Extra Mile award (GEM) for her exemplary analytical support to a year long multi State criminal investigation involving the States of Georgia, Florida, and South Carolina. Kelsie's unending drive and urge for success resulted in the dismantling of an Organized Retail Crime group that was responsible for more than \$300,000 dollars in theft. Kelsie's hard work and dedication has made a positive impact to help protect the community, as well as private industry. Without Kelsie's diverse knowledge and insight the Dekalb County Police Department, Georgia, would not have received the 2015 Georgia Retail Association Organized Retail Crime Alliance award. Kelsie also received outstanding recognition from the Toys R Us corporation for her contributions to the solving of this Organized Retail Crime Case.
