

Collin County Going the Extra Mile (GEM) Recognition Form

Honoree's Name: Anne Sibley

Honoree's Job Title: Unit Supervisor

Department: Juvenile Probation

Years of Service with the County: 18

Why the Honoree is receiving a GEM Award including dates:

On July 25th, the Juvenile Probation Department transitioned from the 20 year old database, Caseworker 5, to the new casemanagement system, JCMS. Anne and three co-workers attended training in Austin and Anne was instrumental in the collaboration with the Texas Juvenile Justice Department, Collin County IT and the CUC. She was instrumental in all the key conversion assignments and helped to work through all the details of this task. She has become one of the go-to persons in the data system due to her attention to detail and her ability to learn the new system. The conversion was a huge success, partly because of the job done by Ms. Sibley. She was able to continue her normal daily activities throughout the process with only a little assistance from her unit staff, which also is an indication of her ability to plan and organize efficiently.
