

Collin County Going the Extra Mile (GEM) Recognition Form

Honoree's Name: Chris Cochran

Honoree's Job Title: I.T. Representative

Department: Public Works Road & Bridge

Years of Service with the County: 7 years

Why the Honoree is receiving a GEM Award including dates:

Collin County Public Works has put a great deal of work into keeping Collin County clean by clearing illegal dump sites, providing recycling containers to unincorporated areas, 1st Saturday Trash Drop Off and prosecuting violators.

In January 2016, Chris collaborated with our Environmental Deputy Officer and Grant Resource Administrator to apply for grant funding with NCTCOG. The funding will allow Collin County to extend its efforts in keeping Collin County clean.

With the funding we are able to provide educational materials and test soil/water for contaminants. In addition, we are able to prosecute violators that do not comply with proper disposal.

Thanks Chris for your contribution.
