Lt. Crossland,

I wanted to take a minute to let you know how much Transfer Deputy Whitsitt is appreciated by the CSCD Court Officer staff. He promptly and efficiently obtains the required paperwork that is needed so we can do our part in processing jail offenders. Deputy Whitsitt routinely has offenders begin the paperwork before the court officers have a chance to request it. He recently was given the capability to scan the documents and email them to the officers. This has been extremely helpful in that it allows the court officers to operate on a more efficient level as well. Prior to the emailed documents they spent a lot of time locating the faxed forms. Deputy Whitsitt clearly understands the concept of working together for the common goal. His attitude and genuine willingness to help should make Sheriff Box proud to have him on his staff.

Thank you,

Leticia Gibbs
