

Collin County
Going the Extra Mile (GEM) Recognition Form

Honoree's Name: Lee Howe

Honoree's Job Title: Environmental Deputy

Department: Sheriffs Office

Years of Service with the County: 9 years

Why the Honoree is receiving a GEM Award including dates:

On September 14, 2011 Deputy Howe noticed damage to County Road 424 and identified those
responsible for the damage. He noticed the incident as he performed his duties of en-
vironmental deputy. The observation and identification was in addition to his duties and
shows his care, concern, and diligence as a county employee. Since the act was above and
beyond his daily duties I recommend him for "going the extra mile", and as a result saving
the county (tax payers) "thousands of dollors" in repairs. (see attached email)

Approved by elected official or department head on the 23rd day of SEPT, 20 11

Lee~

I truly appreciate your awareness and ultimately your willingness to assist in all aspects of Public Service. By recognizing and identifying the road damage on CR 424, you have literally saved Public Works and ultimately Collin County thousands of dollars....

Again, I appreciate what you do and how you conduct yourself throughout Public Works, your professionalism and positive attitude are greatly appreciated..

Jon

Subject: CR 424- United Rentals damage

Gary,

An employee of United Rentals damaged CR 424 with a piece of equipment. I will get the repair scheduled as soon as possible. We are going to remove the damaged TCP, repair and recompact the area and reapply TCP. I have contacted United Rentals regarding the repair cost. Pictures attached.
