

Collin County Going the Extra Mile (GEM) Recognition Form

Honoree's Name: Stacey Rainwater

Honoree's Job Title: Dispatcher

Department: Sheriff's Office

Years of Service with the County: 17 years

Why the Honoree is receiving a GEM Award including dates: Dec 27, 2011

In the early morning hours of December 27, 2011, the county CISCO network experienced a major outage. This outage left the dispatch center without any administrative phone lines, TLETS nor CAD operating system. Without the CAD system, Dispatch had to operate in a manual mode by taking call information by hand and dispatching all units using paper call notes. Stacey worked the phone and fire dispatch channel maintaining good call notes for all incoming 911 citizen calls as well as keeping accurate and detailed records for fire department calls. She did a phenomenal job in making sure that dispatch operations continued to function normally and neither the citizens nor the units out in the field felt the effects of the outage.
