Educational programs of the Texas A&M AgriLife Extension Service are open to all people without regard to race, color, religion, sex, national origin, age, disability, genetic information or veteran status. The Texas A&M University System, U.S. Department of Agriculture, and the County Commissioners Courts of Texas Cooperating.

The Texas A&M AgriLife Extension Service is an equal opportunity program provider. Individuals with a disability needing an accommodation should contact Texas A&M AgriLife Extension one week prior to the event.

The North Texas Crops/Livestock Program will be conducted on **Tuesday, July 14th** at Myers Park and Event Center, 7117 County Road 166, McKinney, Texas. Registration for this event will begin at 7:30 a.m. Texas A&M AgriLife Extension Specialists and agents, along with Noble Foundation Specialists, will be presenting topics concerning crops, pastures, hay and livestock and things to be aware of after the floods this spring. The agenda is listed on the back of this flyer.

Producers from Collin and all surrounding counties are invited and encouraged to attend this educational crops program. The registration fee for attending this event will be \$25 cash or check. Lunch will be provided. **Three CEU's** will also be offered for those attending that have a Pesticide Applicators License. **Registration is required to attend the program.** Complete the attached registration form and return to the Collin County Extension Office at 825 N. McDonald, Suite 150, McKinney TX 75069 **no later than Friday, July 10** with the registration fee. Please make checks payable to: ***Collin Ag Support Fund.***
