

TxDOT DRIVEWAY PERMITS

If your parcel is located in any one of the following city's ETJ (Extra Territorial Jurisdiction), and your (future) driveway is located on a TxDOT roadway (SH, US, FM, or SPUR) you must **contact that city** in order to apply for a TxDOT driveway permit.

Upon application to Collin County Development Services, for an On Site Sewage Facility (OSSF), Commercial or Development Permit, a letter from the city will be required stating that you have contacted them regarding the TxDOT driveway permit

You must also contact the city for the final TxDOT driveway permit approval.

Large Cities - TxDOT Driveway Permits go through City:

- Allen
 - Anna
 - Celina
 - Frisco
 - Fairview
 - McKinney
 - Melissa
 - Murphy
 - Plano
 - Princeton
 - Prosper
 - Wylie
-

If your parcel is located in any other City's ETJ (not listed above) or outside any city limits or ETJ, please **contact the TxDOT Collin County Area Office** to obtain a driveway permit.

Upon application to Collin County Development Services, for an On Site Sewage Facility (OSSF), Commercial or Development Permit, proof of the TxDOT driveway permit application will be required.

**TxDOT Collin County Area Office
(972-542-2345)
2205 S. State Highway 5, McKinney, TX 75069**

You must also contact TxDOT for the final driveway permit approval.
