COLLABORATE TO ELEVATE

Volunteer Reception Center (VRC) Workshop

In December, a group from our local Lions Club presented on how to make a plan for a VRC. VRCs are centralized locations for processing volunteers and organizing disaster relief efforts. We set up Myers Park so that attendees could walk through and experience what it would be like to respond and staff a VRC. Emergency Managers from Collin County and a few cities also attended the workshop.

Congratulations to Audrey Doncell,
our Volunteer of the Year for the 2025 grant year!
We were thrilled to honor her for her incredible generosity and dedication!

Thank you to all who participated!

In the event of a public health emergency, we will use the Everbridge automated notification system to notify MRC volunteers via phone, email, and text message. Phone calls and text messages will come from the Public Health Emergency Preparedness (PHEP) telephone number:

(972) 548-5503

It is extremely important that you respond to the Everbridge notification. If any of your contact information has changed, please let us know so that we can get it updated.
