

### County Commissioner Precincts Plan 10

**EXCEEDS POPULATION LIMITS**

The map displays 192 precincts across a county, color-coded by population deviation from the 2020 Census limits. The legend indicates four categories: Precincts exceeding limits by 5% or more (red), between 2% and 5% (orange), between -2% and 2% (green), and below -5% (blue). The map shows a high concentration of precincts exceeding population limits, particularly in the central and eastern regions. A large red text overlay reads 'EXCEEDS POPULATION LIMITS'.
