

County Commissioner Precincts Plan 6

The map displays the County Commissioner Precincts Plan 6, showing the distribution of population across various precincts. The precincts are color-coded: yellow for populations between 1000 and 2000, light green for populations between 2000 and 3000, and light blue for populations between 3000 and 4000. The map includes a large red text overlay that reads "EXCEEDS POPULATION LIMITS" across the center. A table in the bottom right corner provides a summary of the population data for the first four precincts.
