

Collin County Going the Extra Mile (GEM) Recognition Form

Honoree's Name: Brian Burnett

Honoree's Job Title: Court Officer

Department: 471st District Court

Years of Service with the County: 29

Why the Honoree is receiving a GEM Award including dates:

Brian Burnett has gone above and beyond for the 471st District Court this year, taking on considerable administrative tasks outside of his job duties in order to support the Court during a period of transition. With no Court Coordinator for approximately six weeks, Brian made sure that litigants and attorneys were kept informed about their cases, assisted with the scheduling of hearings and trials, responded to countless emails and phone calls, and generally kept the Court functioning, even assisting with the training of our new Court Coordinator. Without Brian's flexibility, work ethic, and positive attitude, the Court could not have managed to keep up with the demands of our docket during this significant staffing change. We are very fortunate to have him in Collin County and in the 471st District Court.
