

Collin County Going the Extra Mile (GEM) Recognition Form

Honoree's Name: Danny Hartschuh

Honoree's Job Title: Misdemeanor Investigator

Department: District Attorney

Years of Service with the County: 10 years

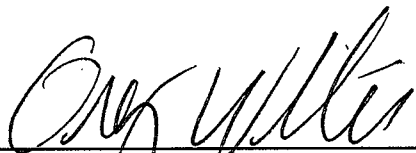

Why the Honoree is receiving a GEM Award including dates:

In May 2023, following an Active Shooter training session at the Collin County Courthouse involving Court Officers and Deputies, a crucial security concern was identified. Investigator Hartschuh designed a simple yet effective prototype to address the issue.

Due to the sensitive nature, the solution cannot be disclosed. However, after careful review, the Court Administration approved its implementation. The replicated prototype was deployed in each courtroom, providing a universal security measure to prevent unauthorized access during critical situations.

This initiative highlights Investigator Hartschuh's proactive approach to courthouse security, commitment to ensuring the safety of courthouse personnel and visitors, and potentially preventing casualties in the event of an active shooter situation.
