Honoree's Name: Christina Skipper

Honoree's Job Title: Assistant District Attorney

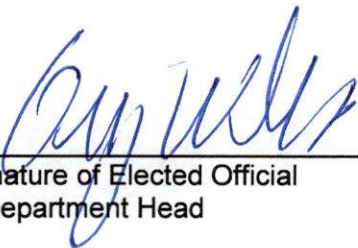

Department: District Attorney

Years of Service with the County: 8 years

Why the Honoree is receiving a GEM Award including dates:

Christina was recently handled a exceedingly difficult, high-profile, racially-charged murder case from the crime scene to the courtroom in her role as SPU Chief Prosecutor. She went to work immediately in the wake of the murder coordinating important elements of the investigation with the involved police department, which led in no small part to the successful jury verdict over a year later. In addition, Christina joined the trial team, continuing her liaising and coordinating role with investigators but also interviewing important child witnesses and handling all the details of trial prep in a major case. She did all this with the can-do attitude characteristic of her work. At trial, she put on numerous important fact witnesses and cheered on her colleagues through difficult phases of the trial. Christina really went the extra mile in this case!
