Why the Honoree is receiving a GEM Award including dates:

I would like to nominate John for a GEM award.

John always displays professionalism with a positive attitude. When asked, John always steps up to ensure the Magistrate Dept. has sufficient coverage. The Magistrate Dept. has had new employees recently. He is sometimes called upon to train staff members and he does without any hesitation. Recently, John noticed that an individual had bond conditions from two different Judges. One set of bond conditions required an ELM. He brought this to the Judge's attention and made arrangements to bring the individual back to appear before the judge, so that there was not confusion as to what conditions of bond the individual was to follow. The judge reviewed and explained the conditions of bond to the individual and an Electronic Ankle Monitor was installed.
