Why the Honoree is receiving a GEM Award including dates:

The District Clerk's Magistrate Dept. has had position vacancies which had put a strain on the daily functions of that department. Logan stepped up and worked in a capacity of a court clerk as well as trained the new clerks. Logan has always displayed a professional and positive attitude. There was an incident during arraignments when Logan was accidently peppered sprayed when a defendant got into an altercation with the arraignment officer. Even then, Logan had a positive attitude. If there is a time when we need Logan to come in on his day off, he is always available and willing to. Logan often stays after hours to ensure that the days paperwork is completed properly and in a timely manner. HE has excelled in his leadership of the department.
