Years of Service with the County: 10 years

Why the Honoree is receiving a GEM Award including dates:

On January 12, 2026 Mr. Love was driving by Adult Detention Cluster 0 when he noticed contractors digging by the road. Instead of continuing on, Mr. Love stopped and asked if they needed assistance and during that time, found out the situation and why the contractor was digging in that area. Due to Mr. Love's action and stopping he was able to find out about a gas leak that has just occurred and the contractor was trying to find the shut-off valve for the gas line. We appreciate Mr. Love stopping and asking questions and due to the due diligence we were informed of the gas leak and were able to take action to assist with the issue at hand pertaining to the gas leak and finding shut-off valves.
