Why the Honoree is receiving a GEM Award including dates:

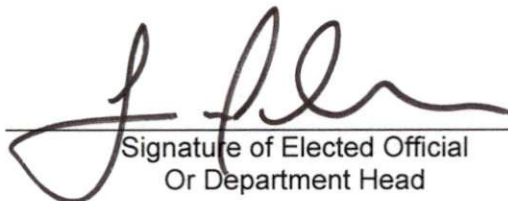

I am requesting that Jerry Bunch be considered as a recipient of the GEM Award in recognition of his outstanding performance, dedication, and willingness to consistently go above and beyond his regular responsibilities.

Jerry has been a top performer in the Control Room throughout his 23 years of service. He is always willing to assist others and routinely steps outside of his normal duties to help meet the needs of the department.

For example, Jerry assists the Parts Specialist by receiving orders when the Parts Specialist is unable to do so. He also assists technicians in the tool room when the Parts Specialist is busy or unavailable. His willingness to step in and help wherever needed demonstrates his commitment to supporting his coworkers and contributing to the overall success of the department.

Jerry also consistently demonstrates professionalism and the ability to remain calm and focused when situations become overwhelming. On August 27, fire testing was being conducted at a new facility, and Jerry was required to respond to multiple calls simultaneously while also managing the fire alarm system.
