Why the Honoree is receiving a GEM Award including dates:

I sent the following email to my staff and then found out that almost all of this attorney's contact with the court was with Ashlee Adams, our front counter legal clerk.

Tonight, at the Heritage Ranch Republican Club meeting, an attorney approached me and shared that he considers my Judicial Staff to be among the best he's encountered in his extensive 40-year career as an attorney. He has filed cases in courts across the country, including some of the most prestigious ones, and he found my staff to be truly impressive. Although he isn't familiar with the Justice Court system, he noted that my team provided clear directions and made him feel comfortable as a participant.

I was incredibly proud to get such a compliment about our operation in a public setting and to have an employee like Ashlee representing the Court and Collin County proves what a GEM of an employee she is.
