Honoree's Name: Krista (First Name) | (Middle Initial) | Gannon (Last Name)

Honoree's Job Title: Supervisor, Plano Field Unit

Department: Juvenile Services

Years of Service with the County: 21 years

Why the Honoree is receiving a GEM Award including dates:

Krista diligently worked and organized the move from 900 building to the 920 building. The process proved to drag on for many months with many false starts, but ultimately when the time came for the move, our office was ready to make it. Her meticulous organization of the packing and ultimate move proved to make a likely chaotic event very smooth and organized. Her positive attitude throughout the entire process set the tone for the entire office. Her leadership has created an office environment where everyone works as a team rather than separate divisions housed in the same facility. Krista exemplifies the motto "Going the Extra Mile" on a daily basis in all that she does.
