Department: Juvenile Probation

Years of Service with the County: _____

Why the Honoree is receiving a GEM Award including dates:

I would like to nominate Nakeysa Moncier for a Going the Extra Mile (GEM) Award in recognition of the exceptional support, guidance, and dedication she has shown while helping train me in my new role as Functional Analyst over the Summer months of 2026.

As I have transitioned into this position, Nakeysa has gone above and beyond to help me learn and understand my new responsibilities. She has taken the time to answer my questions, explain processes and procedures, provide guidance when I have needed it, and make sure I have a clear understanding of not only what needs to be done, but why it is important. Her willingness to share her knowledge and experience has made a significant difference in my ability to learn and become effective in my new role.

What makes her efforts particularly deserving of recognition is that she has provided this assistance during an especially busy and demanding time of year for her role. Despite the significant responsibilities and workload associated with her own position, she has consistently made herself available to help me. She has done so with patience, kindness, professionalism, and a genuinely positive attitude.

She has demonstrated a sincere interest in seeing me succeed and making sure I fully understand my responsibilities. She takes the time to explain things thoroughly and is willing to revisit something when additional clarification is needed. Her willingness to invest her time and expertise in helping another employee succeed is a true reflection of her character and commitment to our department.

Nakeysa's willingness to go the extra mile, especially during such a busy period, exemplifies exactly what the GEM Award is intended to recognize. Her knowledge, patience, helpfulness, and genuine commitment to helping others make her extremely deserving of this recognition. I am very grateful for the time and effort she has invested in helping me, and I strongly recommend Nakeysa Moncier for a GEM Award.
