Why the Honoree is receiving a GEM Award including dates:

Information Clerk Alma Blanco has proactively and consistently offered to take on additional tasks beyond her regular assigned job duties to help manage the increased workload after the elimination of two detention operation administrative positions in FY26. Most notably, Alma enthusiastically agreed to learn the data entry process for inmate medical charge sheet billing which has been a tremendous help in ensuring the timely completion of a task that was previously performed by one of the eliminated positions. Alma's eagerness to help in other areas, desire to learn new skills beyond her current role, and self-motivation makes her deserving of recognition for "going the extra mile".
