Honoree's Job Title: Detention Officer

Department: Sheriff's Office-Detention

Years of Service with the County: 3 Years

Why the Honoree is receiving a GEM Award including dates:

Officer Beedy serves as a Field Training Officer, where she plays a vital role in developing newly hired detention officers by providing guidance, mentorship, and setting a high standard for professionalism and accountability. Her patience, knowledge, and ability to communicate effectively have made her a respected trainer and an asset to both new employees and the agency. When Officer Beedy is not assigned to training, she is routinely assigned to Building Control, one of the most demanding and critical assignments within the facility. Although this position was previously staffed by three officers, it is now operated by only two, significantly increasing the workload placed on each officer. Officer Beedy has proven herself to be one of the most knowledgeable and dependable Building Control officers on Platoon 3 and is routinely selected for the assignment because of her competence and reliability. Most recently, Officer Beedy demonstrated exceptional communication while numerous security cameras and control systems were taken offline for maintenance and upgrades. Throughout the project, she maintained constant communication with detention staff and supervisors, ensuring everyone remained informed of the progress while adapting to the temporary operational changes. Her calm demeanor and attention to detail helped minimize confusion and allowed operations to continue smoothly during a challenging situation.
