Why the Honoree is receiving a GEM Award including dates:

Officer Preston has worked tirelessly to gain as much experience as she can in every area of Admissions/Release, which has put her in a category above her peers and has caused her to become one of the "go-to" officers on Platoon 2. Her constant strive for perfection in everything she does is apparent, not only for her peers but for her supervisors as well. Officer Preston takes lessons from even the most minuscule of failures and she never makes the same mistake twice. Officer Preston is consistently recognized as one of the hardest working individuals in her area by her shift as well as other shifts. She was recently recognized by Platoon 4 Supervisors for her relentless work ethic while on overtime. She was recently tasked with auditing every valuable and bulk property bag, verifying that all bags currently in use were valid and ensuring that any property left behind after an inmate left custody was returned to it's owner. This task freed up numerous bags for use by current inmates at a time when property bags were a precious commodity.

Her consistent hard work, zealous dedication to her job, and meticulous attention to detail, highlights Officer Preston as a stand-out informal leader amongst her peers. She holds herself to the highest standards possible, while consistently setting the example that she expects others to strive for.
