First Name Middle Initial Last Name

Honoree's Job Title: Lieutenant

Department: Sheriff's Office - Detention Bureau

Years of Service with the County: 25

Why the Honoree is receiving a GEM Award including dates:

Lieutenant Chris Gann is a designee of Sheriff Jim Skinner for the expansion-building project of the Collin County Sheriff's Office Detention Facility (CCSODF) booking/orientation building. The booking/orientation building expansion project did not have a "master list" of furniture, fixtures, and equipment (FF&E) that was necessary for occupation and operations of this detention facility when approved for operations. The Office of the Sheriff was to draft this vital document for presentation to Construction & Projects, Purchasing, Budget Office, and to the Commissioner's Court of Collin County for funding approval.

Lieutenant Chris Gann took this assignment without delay or hesitation. Lieutenant Gann completed the FF&E document from his training and experience with the Collin County Sheriff's Office, ingenuity, and ability to collaborate with the partners involved with the detention facility.

The FF&E document was approved for funding and the expansion-building project of the booking/orientation building was a success for all stakeholders involved in this process from Lieutenant Gann's efforts.
