Why the Honoree is receiving a GEM Award including dates:

Commander Christopher Perepiczka is the designee of Sheriff Jim Skinner for the expansion building project of the Collin County Sheriff's Office Detention Facility (CCSODF). Over the last year, Commander Perepiczka has spearheaded multiple projects such as leading a collaborative team that worked directly with the National Institute of Corrections (NIC) to conduct a Staffing Analysis, jail expansion planning, and preparing all related budgets. His efforts succeeded in securing forty-one additional positions for the CCSODF.

Commander Perepiczka has devoted countless nights and weekends and has been quintessential to the success of this project, while simultaneously ensuring the continued standards of his team. Without Commander Perepiczka's tireless efforts in coordinating, planning, and budgeting, the building expansion project and the filling of these "hard post" assignments would not have progressed as they are.
