Honoree's Name: Lorrie (First Name) | (Middle Initial) | Escamilla (Last Name)

Honoree's Job Title: Records Clerk

Department: Sheriffs Office

Years of Service with the County: _____

Why the Honoree is receiving a GEM Award including dates:

In June, Lorrie Escamilla entered four felony warrants related to a scam involving elderly people being exploited.

On July 3, 2017, Sherman County SO in Stratsford, Texas called to confirm the warrant on one of the individuals they had pulled over. Lorrie Escamilla happened to answer the phone, and remembered that there were three other persons involved in this investigation. Lorrie asked if anyone else was the car with the individual, and they advised there was another person but a warrant check showed he did not have any warrants. She believed that other person was one that we were looking for, and sent a mugshot to the agency.

They confirmed that the person in the car was in fact one of the wanted felons we were looking for. He was then placed under arrest as well. She was advised that the car they were in was registered to the third wanted person, and alerted them so that if that person came to retrieve the car from impound they could arrest that person as well.
Lorrie went above and beyond her duties to ensure that the person we wanted for a felony offense was apprehended.

RE: GEM Award Recommendation for Lorrie Escamilla (Records)

Lt. Cundiff,

I recently turned in four felony (4) warrants to records on individuals involved in a scam exploiting the elderly in Collin County. The warrants were entered into TCIC/NCIC by Lorrie Escamilla in June.

On July 3, 2017, Sherman County SO in Stratsford, Texas called to confirm the warrant on one of the individuals they had pulled over. Lorrie Escamilla happened to answer the phone, and remembered that there were three other persons involved in this investigation. Lorrie asked if anyone else was the car with the individual, and they advised there was another person but a warrant check showed he did not have any warrants. She believed that other person was one that we were looking for, and sent a mugshot to the agency.

They confirmed that the person in the car was in fact one of the wanted felons we were looking for. He was then placed under arrest as well. She was advised that the car they were in was registered to the third wanted person, and alerted them so that if that person came to retrieve the car from impound they could arrest that person as well.

Lorrie went above and beyond her duties to ensure that the person we wanted for a felony offense was apprehended.

I would like to recommend Lorrie Escamilla for a GEM award for her continued outstanding support to investigators at the Sheriff's Office.

Respectfully,

Investigator Chris Meehan
