

# Collin County Going the Extra Mile (GEM) Recognition Form

Honoree's Name: Jacob Wright  
First Name Middle Initial Last Name

Honoree's Job Title: Detention Officer

Department: Sheriff's Office Detention Housing Minimum Security

Years of Service with the County: 8

Why the Honoree is receiving a GEM Award including dates:

On shift date 05-13-16, Officer Wright was assigned to the position of Building Control Officer. While accepting an inmate turning himself in for a weekend commitment, Officer Wright reviewed the inmate's jailing record and determined that his ERD (expected release date) was incorrect. Officer Wright was able to explain this to the on duty Book-In Sergeant and the ERD was corrected, resulting in the inmate not having to stay in custody 2 extra days. This is the second time that Officer Wright has made a discovery like this affecting an inmate's release date. Reviewing and calculating an inmate's release date is not anything that Officer Wright has been trained to do, but he has enough knowledge of how it should be figured to know when something is incorrect. Officer Wright goes well above and beyond to ensure that inmates serve the correct amount of time in custody.
