The grant program of the Collin County Historical Commission exists to give money for heritage events, projects and programs in Collin County. Based on the qualities of the application, the Collin County Historical Commission will offer an opportunity for the recipient to receive funds so that their heritage efforts will benefit a town, city, Collin County, or the entire North Texas region. The mission is to initiate and conduct programs and activities as may be suggested by the Commissioners’ Court or the Texas Historical Commission for the preservation of the country’s historical heritage; to mark, interpret, preserve and accumulate information on the history and landmarks of Collin County; and to serve as an umbrella organization for all public and private historical and heritage groups operating in the county, in order to encourage, support and promote the activities of these groups.

Read the funding guidelines thoroughly before submitting an application.

GUIDELINES & GENERAL REQUIREMENTS
These guidelines outline requirements for projects from Collin County non-profit organizations whose projects support the missions and goals of Collin County Historical Commission:

- The minimum request must be $500. Higher amounts may require additional documentation (other than what is described here) from the requesting organization. All requests, regardless of amount, require Commissioners Court approval.
- All applicants are required to provide no less than 10% of their requested grant amount in matching cash funds. This matching amount must be from a source(s) other than Collin County funds. Identify the funding source(s).
- Anyone can attend from your organization the mandatory orientation for the grant. Representation is required at this meeting in order to be eligible for grant funds.
- After awards are approved by the Collin County Historical Commission, then all grant awards are submitted to the Commissioners’ Court for approval. Once approved, contracts are signed and awards will be disbursed by checks to awardee organizations.
- Based upon the timing of the dispersal of funds, final reports must be submitted within eleven months. By failing to comply, the organization would not be eligible for a period of three years for future grants.
- If the organization should not be able to complete the event, project, or program as presented in the application, then the grant funds must be refunded to the Collin County Historical Commission within thirty days.
- The event, project or program must be well-planned with stated goals, objectives and must relate in writing to the mission statement of the Collin County Historical Commission.
- The event, project or program, if ongoing, must be able to demonstrate its ability to grow or develop over time. One-time capital expenditures for repairs, replacements, equipment, etc. must be necessary for the applicant's operational health, welfare or success. Events or programs must not limit attendance by age, gender, race or other factors.
• Sponsoring organizations must provide complete disclosure of all financial resources, including in-kind services and proposed budget for the event, project or program.

• If funding is awarded, any advertising or promotional items must display “funded in part by Collin County Historical Commission,” and the Commission must be mentioned as a sponsor in all publicity.

• Awards may be used for advertisements in media outlets deemed appropriate by the County Historical Commission to promote an event, project or program.

• Funding will not be granted to fund day-to-day operating expenses, supplies, staff salaries, contract personnel, office rental, travel expenses, and other administrative costs of the organization’s daily operations.

• A final report summary (described below), including all invoices, must be submitted to the Historical Commission at the completion of the funding period, or at the conclusion of the event, project or program.

• **All applicants must be in good standing as participating members of the Collin County Historical Commission’s County Historical Organization Coalition.**

Failure to agree to these and other requirements communicated in advance to the applicant will result in ineligibility for or withdrawal of any grant funding.

**FUNDING APPLICATION TIPS:**

• Be specific when writing the narrative. This includes a description of the event, project or program for which funding is requested specifically, clearly, and thoroughly.

• Do not assume that the Historical Commission or the Commissioners Court knows your organization, your reputation, or your event.

• Write clearly; avoid using acronyms that are not explained.

• REMEMBER: the funding application is not a marketing or publicity document.

• Make sure that the budget is clear and matches what you propose in the narrative.

• Make copies of all items sent with the application for your files.

• The Historical Commission may recommend to approve, to reject, or to table any application. The Collin County Commissioners Court will be the final arbiter on the disposition of all funding applications.

• Applicants will be notified within 14 days of the decision of the Collin County Historical Commission, as well as the date when the County Commissioners Court will make final decisions on all applications. All applicants are encouraged to attend that Court session regardless of the Historical Commission’s recommendation for specific applications.
