SHARE THE STORY,

## PUBLIC PROGRAM VOLUNTEERS

**General Function:** The Collin County Farm Museum has a rich abundance of farmstead artifacts used for exhibits and educational programs. We are looking for volunteers to assist with research, programs, conducting tours and initiating outreach. We need volunteers with a willingness to learn about all aspects of rural life and help the public develop a better understanding and appreciation of Collin County's rural heritage, from 1840 to 1960.
