Subscription Details:

The Attorney Online Subscription includes access to District Clerk (Civil, Family & Criminal), County Court at Law Clerk (Civil, Probate & Criminal), and Justice of the Peace (Civil and Criminal) records through a secured internet website. The secured site allows the user to view case documents and print unofficial copies. They also have the ability to view party record information along with the address, financials and all court documents that are filed within those offices. A case index feature is available on the site. Ex: Criminal Index will generate all criminal cases from the District Clerk's Office, County Clerk's Office, and Justices' of the Peace Office – it becomes a combined criminal index with all the departments that have criminal cases. There is no filter by departments on the index since the secured site has access to all three offices.

One of the three Functional Analysts within these departments will create the secured account and email the attorney with their user ID and password along with a link to the website.
