**Proposes to place a facility within the roadway right of way of:**

\_\_\_\_\_

Refer to Right of Way Activity Permit Fee Schedule

The contractor will use Best Management Practices to minimize erosion and sedimentation resulting from the installation, and will re-vegetate the project area.

**The contractor will ensure that traffic control devices complying with the applicable portions of the Texas Manual on Uniform Traffic Control Devices will be installed and maintained for the duration of the work involved for this installation.**

*\*Drawings are required.* The location and description of the proposed line, along with any appurtenances, is more fully shown on the attached drawings. Drawings will show closest address(s) to the project location.

The installation shall not damage any part of the roadway and adequate provisions must be made to cause minimum inconvenience to the public. Any lines that are to be installed within a drainage ditch to include the front and back slopes is to be installed via bore. Any and all damage to the roadway and drainage areas are to be repaired by the contractor within 30 days of the end of the project. In the event the contractor fails to comply with any or all of the requirements as set forth herein, the County may take such action, as it deems appropriate to compel compliance at all times.

**COLLIN COUNTY OFFICE USE ONLY**  
**APPROVAL**  
 Collin County offers no objections to the location of the proposed facility except as noted below.

***Please notify the Collin County Construction Inspector forty-eight (48) hours prior to beginning construction at (972) 548-3700 or cell (214) 686-0107 or the permit will be VOIDED.***
